

RIDE FOR JAMIE!

In February of 2008, local pro triathlete **Jamie Whitmore** was diagnosed with a pelvic tumor. As she undergoes the toughest challenge of her life, we encourage area riders to show your support by taking to the trails!

Join us on Saturday, April 5th for a day of great riding on the trails of Mammoth Bar Park in Auburn. Meet up with others as we all join to support Jamie and help raise funds to help cover the expense of treatment. **Donations are welcome and appreciated.**
